

# How to Access the Chorus Community Health Plans (CCHP) Provider Portal

Follow the instructions below to create your account on the CCHP Provider Portal.

If you already have an account on the Network Health Provider Portal, you do not need to create a new account. **Use your existing Network Health login credentials** to access the CCHP Provider Portal.

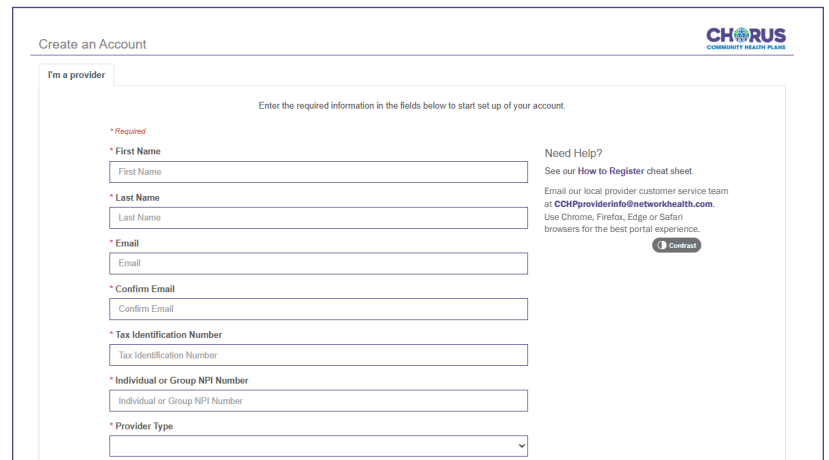

## Step 1 / Register at [login.chorushealthplans.org](https://login.chorushealthplans.org)

- Click Create an Account under the purple **Log In** button to create your new account.

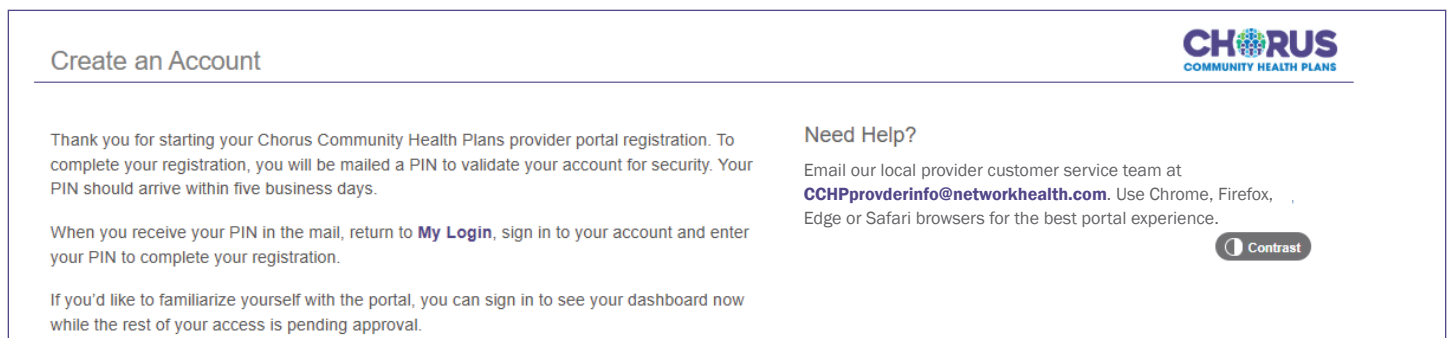

The screenshot shows the 'Log In' page. At the top right is the CHORUS logo. Below it, the text 'Log in with your email and password to access your account.' is followed by 'Login' and 'Password' input fields. A 'Remember me' checkbox is below the password field. A large purple 'Log In' button is at the bottom. To the right, under 'Need Help?', it says 'Email our local provider customer service team at [CCHPproviderinfo@networkhealth.com](mailto:CCHPproviderinfo@networkhealth.com)' and a 'Contrast' button.

- Have your Tax Identification Number and Individual NPI Number handy.

The screenshot shows the 'Create an Account' page. At the top right is the CHORUS logo. Below it, the text 'I'm a provider' is followed by a large input field. Below this, the text 'Enter the required information in the fields below to start set up of your account.' is followed by several required fields: 'First Name', 'Last Name', 'Email', 'Confirm Email', 'Tax Identification Number', 'Individual or Group NPI Number', and 'Provider Type'. To the right, under 'Need Help?', it says 'See our [How to Register](#) cheat sheet. Email our local provider customer service team at [CCHPproviderinfo@networkhealth.com](mailto:CCHPproviderinfo@networkhealth.com). Use Chrome, Firefox, Edge or Safari browsers for the best portal experience.' and a 'Contrast' button.

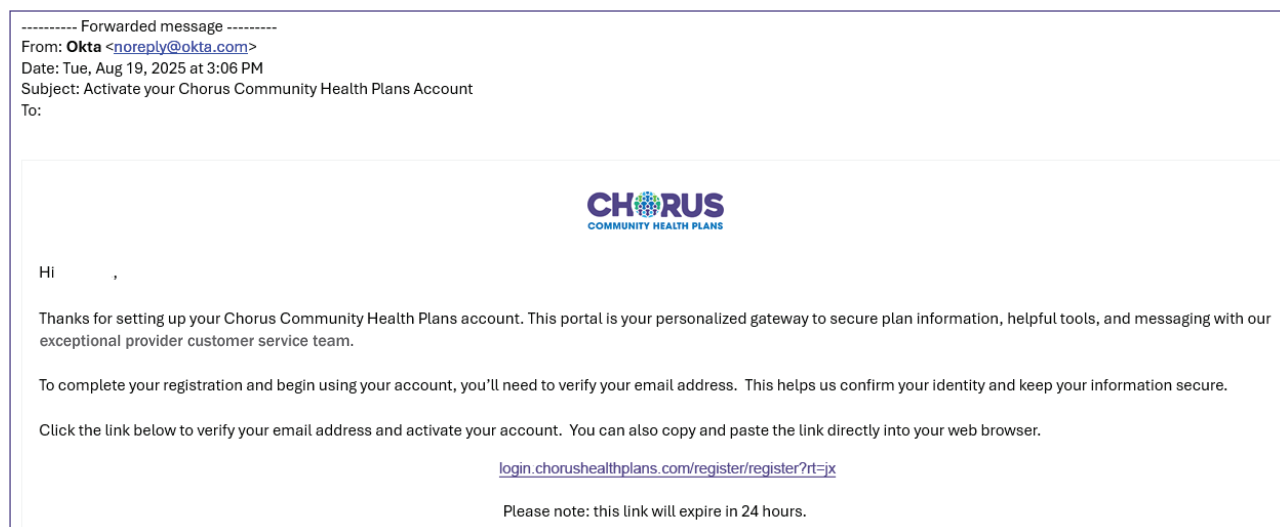

The screenshot shows the 'Create an Account' page. At the top right is the CHORUS logo. Below it, the text 'Create an Account' is followed by a large input field. Below this, the text 'Thank you for starting your Chorus Community Health Plans provider portal registration. To complete your registration, you will be mailed a PIN to validate your account for security. Your PIN should arrive within five business days.' is followed by 'When you receive your PIN in the mail, return to **My Login**, sign in to your account and enter your PIN to complete your registration.' and 'If you'd like to familiarize yourself with the portal, you can sign in to see your dashboard now while the rest of your access is pending approval.' To the right, under 'Need Help?', it says 'Email our local provider customer service team at [CCHPproviderinfo@networkhealth.com](mailto:CCHPproviderinfo@networkhealth.com). Use Chrome, Firefox, Edge or Safari browsers for the best portal experience.' and a 'Contrast' button.

## Step 2 / Registration confirmation

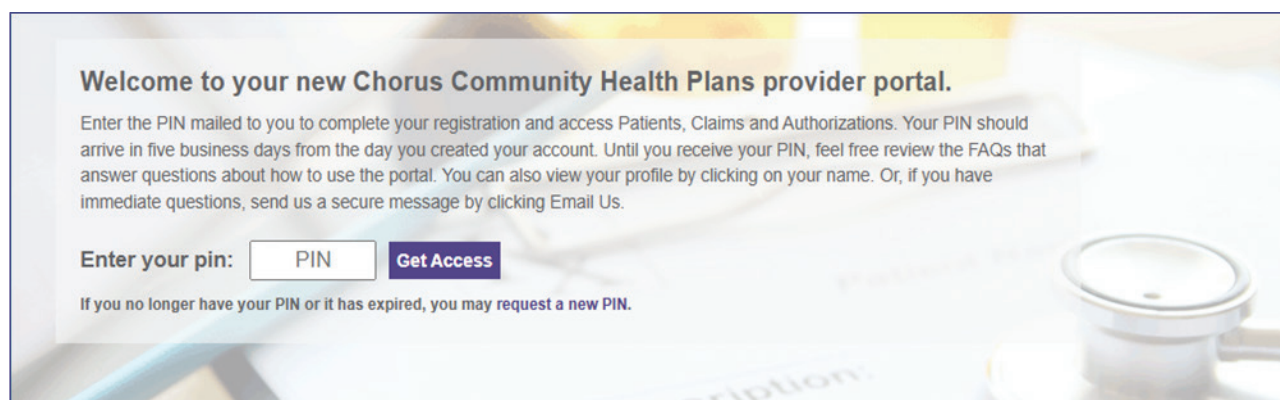

### A. Confirmation email

- Email domains that match the business/organization name will receive an email confirmation.
- In the activation email, click the link to verify your email address and activate your account. **Make sure to do this within 24 hours or your activation link will expire.** After 24 hours email us at **CCHPproviderinfo@networkhealth.com** to request a new activation email.
  - If you do not receive a confirmation email, check your spam folder. If you still haven't received an email contact us at **CCHPproviderinfo@networkhealth.com** to request a new activation email.

### B. Confirmation PIN letter

- Email domains not associated with a business/organization name will receive a letter with a PIN number to complete registration (for example, gmail.com or yahoo.com).
- During the registration process, you will be asked to verify the mailing address we have in our system to initiate a PIN number to be mailed to you.
  - If you do not see the correct mailing address email us at **CCHPproviderinfo@networkhealth.com**.
- You will have immediate access to the portal dashboard.
- Once you receive your PIN number in the mail, enter it to complete your registration and gain access to the portal.

Step 3 / Set up your password and security question. Log in with your email address and password.
